

REMARKS

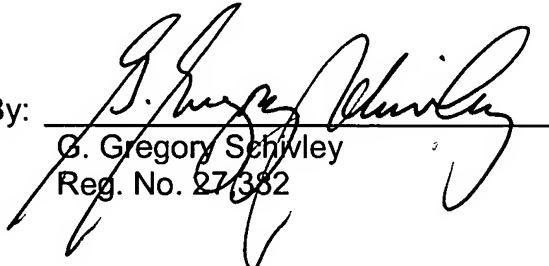

In response to the Species Election Requirement mailed October 4, 2005, Applicant provisionally elects Species 1, with traverse. It is believed that claims 1, 2, 7-9 and newly added dependent claims 10-13 read on the elected species.

The Examiner is requested to reconsider his species election because all species are so related to each other that an undue burden would not be placed upon the Examiner by maintaining all of them in a single application. See, e.g., MPEP § 803.

Favorable consideration of this application is respectfully requested.

Respectfully submitted,

Dated: Oct 28, 2005
